Athiri Beach is located on the local island Dhigurah in South Ari Atoll, Maldives.

Dhigurah is about 54 miles away from the capital city and Male' airport. The island is almost 3 km in length with a beautiful lagoon and ends with one of the most amazing sandbank in the world. The island is located next to the famous dive, whale shark and manta spots.

You can reach our island by speedboat transfer or domestic flight. The speedboat ride takes around 90min. The flight takes 20min followed by 10min speedboat to our island. The speedboat is currently departing daily from Male' airport 11:00AM & 04:00PM (On Friday 10:00AM & 04:00PM). From Athiri Beach daily 06:30AM and 01:30PM.

Domestic flights are departing daily five times from Male' and domestic airport starting from 06:30AM. Seats are upon request and availability.

For a transfer booking please provide us following information of each passenger: Name, date of birth, nationality, passport number and international flight details.

Guest booked on speedboat will be welcomed by our airport staff 30min prior departure time at airport help desk (located in front o international terminal). Guest booked on domestic flight will be welcomed by our airport staff upon their arrival at the exit of the international terminal. Our staff will assist you to get on board.

Book your room now.

Please be informed:

To respect local customs, there is a private beach near to the guest house for sunbathing in bikini. The private beach goes all the way up to the sandbank of Dhigurah. It's roughly about 2km of private bikini beach for all guest of Dhigurah.

In the village, or other beaches we request our guests to wear moderate attire. Please find below some sample pictures of dresscode which is allowed to wear everywhere on the island and beach.

Nevertheless, during our activities by diving and excursion boat (off the island) organized by Athiri Beach and our swimming pool area - these restrictions don't apply.

Looking forward to welcome you soon!
